Mama Africa
How are you doing Mama
Mama Africa
Long time me no see you Mama

They took me away from you Mama
Long before I was born
They took me away from you Mama
Long before I came on (and I say)

CHORUS

Mama Africa
How are you doing (My sweet) Mama
Mama Africa
Long time me no see you Mama

There's so many things about you
And I'm wondering where you are
They try their best to hide you Mama
But I search and I find you

CHORUS

PLAYING FOR CHANGE

I've been waiting, yearning, looking
Searching to find you
I've been crying, praying hoping
That I may find you Mama

In you there's so much beauty
In you there's so much life
In you there's so many kingdoms
And to me it's out of sight
